Profile

Most design work gets remembered for two things: how it felt, and how it scaled.

7+ years in motion, brand and product design across **B2B, B2C and SaaS**. I design fintech flows, performance creative and design systems for **1M+ users** in Tier-2/3 India, and I use **AI-assisted workflows** so a small team can ship at scale.

Experience

Wiom | Lead Design Analyst (Visual + Product Design)

Gurugram | 2023 – 2026

Affordable home-internet provider for Tier-2/3 India

- Designed the **wallet-to-bank transfer flow** end-to-end, lifting completion from **60% to 95%**
- Led concepting and scripting for **performance ads**, driving lead growth from **15% to 60% in 90 days**
- Built a **design system** across web and mobile, improving consistency and cutting dev time by **30%**
- Led team-wide adoption of an **AI-powered design system**, cutting creative production time by **80%**
- Owned **brand and communication strategy** reaching **1M+ users** across India
- Produced **AI-generated training videos** to speed up internal onboarding

MyClassroom | Sr. Motion & Graphic Designer

Noida | 2021 – 2023

EdTech platform

- Tripled the **online lead rate**, from **5% to 15%**, through campaign and digital creative
- Partnered with the Brand Head on **5 major campaigns** that raised brand awareness across platforms
- Cut **time to market** for branding deliverables by **15%**
- **Led and mentored** a team of designers, streamlining workflow and creative output

Xpress Minds | Graphic Designer

New Delhi | 2019 – 2021

Creative and branding agency

- Managed **end-to-end branding** across all visuals, raising campaign success rates by **30%**
- Designed **50+ visual storytelling assets** for client campaigns
